PORTRAIT COLLECTIONS

Professionally designed portrait collections created to beautifully showcase your family throughout your home.

Each collection includes a large wall portrait in your choice of museum-quality Canvas Gallery Wrap or professionally framed artwork in Cherry, Bronze, Black, or Iron finishes. Additional frame options are available.

Each canvas or framed portrait includes a professional protective finish to guard against scuffs, scratches, UV exposure, and cracking while enhancing the longevity and quality of your artwork.

For clients who prefer a traditional glass covered appearance, framed portraits may be upgraded to a premium no-glare UV Protective acrylic cover for an additional $25, regardless of size, in place of the standard protective finish.
